INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of
New Neighbors Partnership Association
New York, NY

We have reviewed the accompanying financial statements of New Neighbors Partnership Association (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of New Neighbors Partnership Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, as of and for the year ended December 31, 2022, New Neighbors Partnership Association adopted both Accounting Standards Update 2016-02, *Leases* (Topic 842) and Accounting Standards Update 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958), using the modified retrospective transition method. Our opinion is not modified with respect to this matter.

NEW NEIGHBORS PARTNERSHIP ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

1) NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

New Neighbors Partnership Association (the “Organization”) was organized as a not-for-profit organization in July 2020 under the laws of the State of Delaware. The Organization’s mission is to welcome refugees, asylee, and asylum, seeking families by helping them forge positive social connections with local families who can provide emotional, informational, and concrete support as they settle. The Organization envision a society in which all refugees, asylum seekers, and asylees are welcomed into their new local communities and have access to resources and support to ease their transition. The Organization’s programs are primarily supported by grants and contributions.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Cash and Cash Equivalents

The Organization considers all highly liquid investments, except those held for long-term investment, with maturities of three months or less when purchased to be cash and cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Organization to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis on the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Revenue, Revenue Recognition, and Receivables

Grants and Contributions – Grants (from foundations) and contributions (from individuals, corporations, and other sources) are recognized when cash, securities or other assets; an unconditional promise to give; or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of release/return, are not recognized until the conditions on which they depend have been substantially met.

NEW NEIGHBORS PARTNERSHIP ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

1) NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue, Revenue Recognition, and Receivables (Cont'd)

Grants and Contributions Receivable – Grants and contributions that are not yet collected are recorded as grants and contributions receivable. Amounts expected to be collected within one year are recorded at net realizable value. Amounts that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The Organization uses the allowance method to determine uncollectible promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made.

Contributed Nonfinancial Assets – The value of services, facilities and non-capitalized equipment donated is recorded as contributions with or without donor restrictions and expensed in the year donated. These contributions are valued at the estimated fair value of similar services and materials. Donated assets are capitalized at fair value at the date of donation and recorded as contributions of nonfinancial assets with or without donor restrictions, depending on the wishes of the donor. A number of volunteers have donated significant amounts of their time to the Organization in connection with its programs. Directors and officers have made a significant contribution of their time to develop the Organization and its programs. These donated services are not reflected in the financial statements since they do not meet the criteria for recognition as contributed nonfinancial assets. These donated services do not create or enhance a nonfinancial asset nor require specialized skill that the contributors have and would typically need to be purchased if not provided through donation.

Contract Balances

Contract assets are recognized when the Organization has satisfied a contract obligation but must satisfy other performance obligations before being entitled to payment, or when the Organization has the right to bill a customer before satisfying any or some of the performance obligations. Contract liabilities are recognized when the Organization has an obligation to perform services to a customer for which the Organization has received advanced consideration or when payment is due prior to satisfying any or some of the performance obligations. The Organization does not have opening balances for contract assets and liabilities or such balances for the year ended December 31, 2022.

Advertising Costs

The Organization's policy is to expense advertising costs as they are incurred.

1) NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. It is also exempt from state income taxes. However, any unrelated business income may be subject to taxation. Currently, the Organization has no obligation for any unrelated business income tax.

The Organization's Form 990, *Return of Organizations Exempt from Income Tax*, for the year ended December 31, 2021, and Form 990-N, *Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ*, for the year ended December 31, 2020, are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

The Organization has evaluated its current tax positions and has concluded that as of December 31, 2022, the Organization does not have any significant uncertain tax positions for which a reserve would be necessary.

1) NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of Accounting Standards

In February 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-02, *Leases* (Topic 842), which requires lessees to recognize leases on the statement of financial position and disclose key information about leasing arrangements. The new ASU establishes a right-of-use (“ROU”) model that requires a lessee to recognize a ROU asset and lease liability on the statement of financial position for most leases with terms longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of the expense recognition in the statement of activities. The effective date for this standard has been delayed to annual reporting periods beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. On January 1, 2022, the Organization has adopted ASU 2016-02, using the modified retrospective transition method. There were no material changes to the financial statements upon adoption.

In September 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958) which requires not-for-profits to present contributed nonfinancial assets as a separate line item in the statement activities and provide additional disclosures about contributions of nonfinancial assets. Contributed nonfinancial assets, commonly referred to as gifts-in-kind, include fixed assets (such as land, buildings, and equipment), use of fixed assets or utilities, materials and supplies, intangible assets, services, and unconditional promises of those assets. This standard became effective for annual reporting periods beginning after June 15, 2021 and interim periods within annual periods beginning after June 15, 2022. On January 1, 2022, the Organization adopted ASU 2020-07, using the modified retrospective transition method. There were no material changes to the financial statements upon adoption.

Leases

The Organization determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

As at December 31, 2022, the Organization does not have lease arrangements.

2) LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restriction limiting their use, within one year of the statement of financial position date, comprise the following:

<u>Financial assets at year-end</u>	<u>Gross amount</u>	<u>Less: Amounts not available to be used within one year</u>	<u>Financial assets available to meet general expenditures within one year</u>
Cash and cash equivalents	\$ 109,620	\$ 4,673	\$ 104,947
Grants and contributions receivable	15,000	-	15,000
Total	<u>\$ 124,620</u>	<u>\$ 4,673</u>	<u>\$ 119,947</u>

The Organization is supported in part by restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

3) FAIR VALUE MEASUREMENTS

The Organization's financial instruments are reported at fair value in the accompanying statement of financial position. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Accounting Standards Codification 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; level 2, defined as inputs other than the quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. At December 31, 2022, no investments at fair value are noted in the statement of financial position.

4) ADVERTISING COSTS

For the year ended December 31, 2022, advertising costs totaled \$90.

5) GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable at December 31, 2022 consists of the following:

The D J McManus Foundation, Inc.	\$ 15,000
	<u>\$ 15,000</u>

The amount is generally collected within one year. The Organization believes its receivables to be fully collectible; accordingly, no allowance for doubtful accounts was recorded for the year then ended.

6) NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods:

Subject to expenditure for specified purpose:	
Purchase of equipment	\$ 4,673
Total	<u>\$ 4,673</u>

7) FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, payroll taxes, certain office expenses, other employee benefits, insurance, and payroll processing fees which are allocated on the basis of estimates of time and effort.

8) CONCENTRATION OF CREDIT RISK

The Organization maintains its cash balances at a major financial institution. The balances, at times, may exceed federally insured limits. As of December 31, 2022, there were no uninsured balances. The Organization has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk regarding its cash balances.

9) CONTRIBUTED NONFINANCIAL ASSETS

During the year ended December 31, 2022, the Organization received contributed nonfinancial assets in the form of clothing and household goods with fair market value totaling to \$91,086 and have been recognized in the statement of activities. The Organization then donated these clothing and household goods to refugees, asylum seekers, and asylees. No inventory as of the year then ended.

10) SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 15, 2023, which is the date the financial statements were available to be issued. Management is not aware of any material subsequent events.
